100 ICONIC MOMENTS IN FASHION

It can flatter and enthral, captivate and mystify, polarise and provoke. *The Dress* – few items in fashion are as capable of capturing a specific moment in time, the spirit of a generation, or the indefinable energy of a fashion icon.

In *The Dress: 100 Iconic Moments in Fashion*, internationally acclaimed fashion illustrator Megan Hess explores the memorable dresses that have shaped the course of couture in recent decades.

From the simple elegance of Audrey Hepburn's little black dress in *Breakfast at Tiffany's*, to the promise of the romantic fairytale in Princess Di's never-ending wedding dress, to the absurdity of Lady Gaga's meat dress, Megan Hess celebrates the dress's finest moments and takes the reader on a decadent romp through couture history ... from the haute, to the weird, to the hot.
