ARCHITECT'S OFFICE AT KIM YAM ROAD

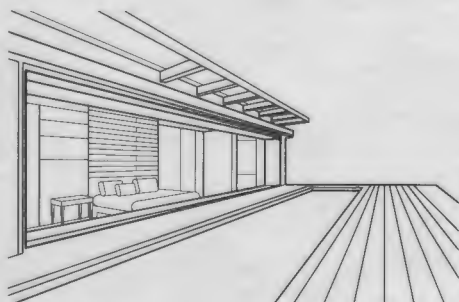

NATIONAL DESIGN CENTRE

Organised by Singapore Institute of Architects, the SIA Architectural Design Awards is the most prestigious award conferred by the institute to promote and encourage excellence in architectural design in Singapore. This publication documents the winners and submitted works of the 14th cycle of the awards.

SIA Architectural Design Awards 2014 received 104 competition entries from 48 architectural firms. A total of 14 Design Awards and 10 Honourable Mentions were awarded in 7 categories, along with one "Building of the Year" and one "Best Project Constructed under S\$2 Million."
