From #1 bestselling author Margaret Rice comes the debut of a thrilling new fantasy series. **A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S KING)** revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favored of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer; he journeys out on his own, determined to find his way into King's Court and his father's court.

But King's Court is rife with its own bloody struggles, power struggles, intrigue, rebellion, sedition and betrayal. King MacGil must raise an heir, train an usurper for children, and the ancient Emerald Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin serves as an outsider and battles to be accepted, and to join the King's Legion.

Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful enemies. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew in a land far away, beyond the Canyon, beyond even the land of the Dragons.

Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him.

With its sophisticated world building and characterization, **A QUEST OF HEROES** is an epic tale of friends and lovers, of trials and winners, of knights and dragons, of intrigue and political maneuvering, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of slavery. It is a story that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series will be published soon.
